

Dear (RCYC, RBYC, CYC, BSC) Member,

Burnham Week 2008

If you have been a competitor in a previous Burnham Week, you will already know a great deal about one of the oldest regattas in the country. However, if you have never been inclined to enter in previous years, I'd like to offer you a warm welcome to come and join us.

This year Burnham week runs from the 23rd to the 30th August. The Regatta is designed to make the best of the time you can spare, from one day to the full eight days. It can accommodate your boat from Class One to Six for every kind of cruiser/racer, a class for all the local one design fleets and dinghy classes sailing from BSC.

We have a wonderful range of trophies, from ancient silverware with historic traditions of more than a hundred years to newly presented trophies for the latest classes.

On top of that you get to enjoy the social programme presented by the four clubs, all of which throw open their doors to welcome you.

Entry couldn't be easier. The online system will be available shortly on www.burnhamweek.org but if the thought of computer entry puts you off, we publish a helpline number which offers support or even does it for you! As a new entrant you would be eligible for special concessions.

Burnham week is your local regatta....you don't have to crane your boat onto a trailer and drive for hundreds of miles; just slip you mooring and make your way to 'Pile House'!

The Joint Clubs' Committee looks forward to seeing you on the start line.

Sincerely,

Wendy Eagling,

Online Entry Organiser
