FURTHER INFORMATION ON MEMBERSHIP CATEGORIES

Full Members

Full Membership (joint or single) – open to anyone over the age of 18 and gives you full voting rights at the Club's Annual General Meetings. You can either join on your own, or have a joint membership with your spouse or partner. Anyone joining as a full member who is under the age of 30 is entitled to a 50% reduction in their membership fee. On entering this membership category members must pay a one-off club joining fee to buy their share in the club (£45 for a single membership or £60 for joint membership).

Senior Membership – this is the equivalent of full membership, but is only open to people over the age of 65 who have *already* been members of the Club (in any membership category) for the last 5 years. You can either be a single senior member, or have a joint senior membership with your spouse or partner. On entering this membership category members must pay a one-off club joining fee to buy their share in the club unless they have already paid that fee as a full member (£45 for a single membership or £60 for joint membership).

Non-voting Members

Crew Membership – open to anyone over the age of 16 who does not own a boat, but who intends to crew for a full member. It is renewed annually at the discretion of the Club's Committee. This type of membership does not entitle you to vote at the Club's Annual General Meeting.

Associate Membership – open to anyone over the age of 18 who does not own or crew a boat, but who wishes to be involved in the Club from a social perspective. This type of membership does not entitle you to vote at the Club's Annual General meeting.

Overseas Member – open to any *existing* full member who moves overseas for more than 12 months. This type of membership does not entitle you to vote at the Club's Annual General Meeting.
