CYC MEMBERSHIP CATEGORIES

Full Members

Full Membership – open to anyone over the age of 18 and gives you full voting rights at the Club's Annual General Meetings. You can either join on your own, or have a Joint Membership with your spouse or partner. Anyone joining as a Full Member, who is under the age of 30, is entitled to a 50% reduction in their membership fee. On entering this membership category members must pay a one-off club joining fee to buy their share in the club (£45 for a single membership or £60 for joint membership).

Senior Membership – this is the equivalent of full membership, but is only open to people over the age of 65 who have already been members of the Club (in any membership category) for the last 5 years. You can either be a single Senior Member, or have a Joint Senior Membership with your spouse or partner. On entering this membership category, members must pay a one-off club joining fee to buy their share in the club unless they have already paid that fee as a full member (£45 for a single membership or £60 for joint membership).

Non-voting members

Affiliate Membership – Any person over the age of 18 and who has not been a voting member who wishes to support and promote the objectives and interest of the Company and Club and use the Club facilities may apply to become an Affiliate Member. An Affiliate Member shall have no voting rights nor share in the company and is subject to restrictions as decided by the Committee. This type of membership replaces the previous Crew and Associate Membership categories.

Overseas Member – open to any existing full member who moves overseas for more than 12 months. This type of membership does not entitle you to vote at the Club's Annual General Meeting.
